### Painting retreat with Dora Keogh – Olhao & Seville Spain

Join us on a painting retreat with Dora Keogh. Dora has been leading workshops in Olhao, throughout Europe and in Canada for more than 17 years. Her emphasis is on personal expression and the development of students' individual style in a collaborative, supportive and encouraging atmosphere. There is no right or wrong way in a Dora class!

Great attention is paid to each individual student and his/her work. Colour is a point of focus; her Palette is vibrant, assertive and fun. Increased self-confidence and joyous self-expression are the workshop's principal aim. All levels are welcome, from Beginners to Experienced. The focus will be on painting En Plein Air, with daily trips to the fabulous locations surrounding Olhao, such as the towns of Fuseta and Tavira and the magnificent islands of Armona and Culatra. In Seville enjoy many of the great sights in and around the city to paint and enjoy in the Spanish sunshine.

We will pack a picnic or indulge in the local cuisine at a beach-side restaurant.
